

EC-Council

CERTIFIED PENETRATION TESTING PROFESSIONAL

Ahmad Hassan

This certification is awarded in recognition of successfully completing all requirements for the Certified Penetration Testing Professional (C|PENT) credential and passing an examination administered by EC-Council.

The recipient has demonstrated the ability to conduct advanced penetration testing across complex enterprise environments, leveraging offensive security methodologies and AI-assisted techniques to identify, exploit, validate, and report security vulnerabilities.

Issued On: 10 September, 2026

Renewable On: 01 October, 2027

Certificate Number: ECC0284165937

Jay Bavisi
CEO and President

This credential is valid for three years from the date of initial certification, subject to the candidate meeting the continuing professional education (CPE) requirements and remaining current on their annual CE fee. The issue date will reflect the original grant date.
