

EC-Council

LICENSED PENETRATION TESTER (MASTER)

Ahmad Hassan

This certification is awarded in recognition of successfully completing all requirements for the Licensed Penetration Tester (LPT) Master credential and passing an examination administered by EC-Council.

The recipient has demonstrated mastery of advanced penetration testing and adversary simulation techniques, including complex multi-stage enterprise compromise, advanced vulnerability exploitation, multi-level pivoting, privilege escalation, evasion of defensive controls, and full-scope offensive operations against hardened enterprise environments.

Issued On: 10 September, 2026

Renewable On: 01 October, 2027

Certificate Number: ECC6058439271
